The Honorable Barry Goldwater, Chairman  
 Select Committee on Intelligence  
 United States Senate

Dear Mr. Chairman:

Thank you for your letter dated 14 June. We are in close coordination with the Federal Bureau of Investigation (FBI) on the terrorist threat to the Olympic Games. All of our stations and bases have a priority requirement for information on possible terrorist acts. I can assure you that we have efficient procedures for the speediest possible relay of any information we acquire to the FBI, which has the primary responsibility for the safety of the Games. We shall brief the Senate Select Committee on Intelligence (SSCI) staff on the terrorist threat as we see it and on our interaction with the FBI on this highly important matter.

Your letter and advice are appreciated.

Sincerely,

/s/ William J. Casey
